Premier Cares Foundation is a 501(c) 3 charity whose mission is to assure that urological and gastrointestinal patients in the Hudson valley, with financial challenges, receive supportive services at their time of need. We understand that a diagnosis can mean unplanned expenses that can cause extreme hardship. Premier Cares Foundation’s goal is to make sure that patients are assisted with their urgent needs, so that some of their stress can be alleviated. Premier Cares Foundation is the only not-for-profit charity in the Hudson Valley who solely focuses on patients with urological and digestive diseases.

premiercaresfoundation.org

The Premier Cares Foundation 'Care' Fund helps financially-challenged urologic and gastrointestinal patients in the Hudson Valley.

Patients may be eligible to receive grants to assist with such costs as:

- Prescription medication not covered by insurance
- Medical equipment and supplies
- Housing needs
- Transportation to and from treatment
- Utilities
- Other qualifying expenses

Individuals currently undergoing treatment for prostate and/or colon cancer, or other urologic or digestive issue, may be eligible for assistance.

To apply for a 'Care' Fund grant, please see reverse side

Please visit premiercaresfoundation.org for more information on Premier Cares Foundation's mission and the signature PCF fundraising events: the Prostate Cancer Walk, The Colon Cancer Awareness Day Chili Festival, and the 'Premier' Dinner.
