Four Course Craft Beer Dinner with Hutch Kugeman

Award Winning Head Brewer from The Culinary Institute of America

Saturday, December 9, 2017

Cocktails at 6pm • Dinner at 7pm

Locust Grove • 2683 South Road in Poughkeepsie

Hutch moved to the Hudson Valley in 2010 as founding brewer of Crossroads Brewing Company in Athens, NY. During his five years at Crossroads, the brewery was recognized with multiple medals at the Great American Beer Festival and World Beer Cup as well as the Matthew Vassar Cup for Best Brewery in the Hudson Valley. In 2015 Hutch was selected for his current position working with Brooklyn Brewery and the newly built Brewery at the CIA. At the CIA he works with culinary students to create beers for the restaurants and student commons, while teaching them more about brewing and the world of craft beer. Join Hutch for an unforgettable evening of exquisite food and craft beer pairings. Assistance in preparation of the dinner is graciously provided by the proprietors of Cosimo's Restaurant Group — Carlo Citera, Nick Citera, Nicolas DiBrizzi — and their fabulous staff.
