

January 2019

Dear Sponsor,

On behalf of Premier Cares Foundation, thank you for your continued support during 2018. We appreciate your special interest in our mission, which strives to provide the underserved members of our community with support, education, awareness, and treatment for colon and prostate cancers, as well as other digestive and urologic diseases. Your generosity has already translated into free care for many patients in our community. As we have grown, we have discovered that there are even more people than we imagined who have postponed or avoided getting medical care due to financial challenges. The Foundation is honored to partner with your organization to ensure that early detection and treatment are available to all in need.

For the 2019 calendar year, we are actively planning three signature fundraising events, including the *Colon Cancer Awareness Day "Challenge Your Colon Chili Festival"* on March 10, the *Prostate Cancer Walk* scheduled for September, and the *"Premier Signature Dining Event"* scheduled on October 5. Please consider sponsoring these events with one of our four levels detailed on the attached annual sponsorship package. To participate in our 2019 sponsorship opportunity, complete the form below and return by March 1, 2019.

Thank you! Because of friends like you, we were able to grant \$50,000 to deserving patients this past year.
