

COVID-19 Vaccine Update

March 2, 2021

Premier Medical Group is happy to announce that we are offering the COVID-19 Vaccine to our eligible Primary Care patients. Vaccinations are **limited** and will be given by **appointment only**.

We will be contacting eligible patients to let them know how to schedule their vaccination appointment.

Please note that we are only able to vaccinate Premier Medical Group Internal Medicine patients. If you are not a patient of Premier Medical Group's Internal Medicine division please contact your primary care provider for vaccine availability.

Thank you again for your patience and understanding as we work toward vaccinating our community!

For vaccine information, including eligibility guidelines, please visit:
